**How to Dispel Myths about Supplemental Security Income (SSI)
to Increase Employment Outcomes**

April 12, 2017
2:00 p.m. to 3:00pm (CDT)

Hosted by the Employment First State
Leadership Mentoring Programs
Office of Disability Employment Policy

This session will provide an overview of SSI and the available work incentives. This includes strategies and tools that assist in helping job seekers understand the information and the importance of framing the conversation as financial stability rather than just benefits planning. Recommendations on when a job seeker should be referred to a Work Incentive Planning and Assistance Service will also be discussed.
